

Stillaguamish Gardens

Stillaguamish Senior Center

Common Ground provided full development services for Stillaguamish Gardens, a separate addition to the existing campus of the Stillaguamish Senior Center. The new facility adds 30 one-bedroom units of permanent supportive housing for seniors, plus one apartment for on-site staff. This special needs project is designed to enable independent living, and provides fully accessible housing in a service-enriched campus environment.

- 30 units of senior housing
- New construction
- \$3.95 million total development cost
- Major funding: Impact Capital, FHLB Challenge Fund, HUD Section 202, Snohomish County, HTF
